Our Mission

It is the mission of the Certified Logging Professional program to provide the best possible training and education for people involved in the Maine logging industry. Our program will evolve to reflect changes in the forest products industry and will provide a means for continued professional growth.

CLP Facts

- Over 6350 loggers and stakeholders have participated since 1991.
- Participants are certified in 1st Aid and CPR
- Mechanical CLPs pay up to 64% less for Workers' Compensation.
- CLPs are marketed to Maine landowners through a listing on our website. (www.clploggers.com)

Tuition & Field Interview

Tuition for the CLP class is \$72. This includes all program materials, lunch each day and the on site interview for certification.

The field interview will be conducted on the CLP candidate's jobsite within 6 months of completing the class.

Registration Information

Classes are filled on a first pay, first serve basis.
