

Recert Requirements

To maintain your CLP certification you must recertify the year following your initial certification training, and every two years thereafter. For example: Loggers who received initial certification training in 2012 must recertify in 2013, and again in 2015. Certification remains valid through December 31st of the year in which it expires.

To recertify you must meet the following requirements:

1. **TRAINING** – You must complete recert training. Requirements are as follows:

- **Conventional CLPs** must attend a day long GOL felling workshop or a CLP classroom workshop unless they have been approved to attend alternative training. Additional felling workshops may be available upon request.
- **Mechanical CLPs** must attend a day workshop specific to the mechanical logger.
- **Contractor/Supervisor CLPs** must attend a day CLP sponsored workshop or an approved workshop. You are required to attend the **Jobsite Evaluation** workshop if you have not already met the requirement, otherwise alternative workshops or approved sessions are available.
- **Associate CLPs** can fulfill their training requirements by attending any workshop listed in this brochure. Several outside workshops have also been approved for recertification and are listed on the CLP website (www.clploggers.com). Call the office for approval of any workshops not listed that you wish to attend. **Please send verification of any workshops attended to receive credit. The cost of outside workshops does not offset the \$150 CLP recert fee.**

2. **INSPECTION** – CLPs must pass a recert field inspection to retain certification. **It is the responsibility of each CLP to contact the office and request an inspection.** CLP reserves the right to conduct random inspections for any certified member.

3. **FIRST AID SKILLS** – CLPs will be expected to maintain First Aid and CPR skills.

Spring 2012 Recertification

One day recertification classes are held in the spring and fall. Class locations and dates may change based on registration. Additional training locations are available if a minimum of participants are met.

Certification for those who recertify in 2012 remain valid until December 31, 2014.

All candidates for recertification will receive information regarding exact dates, times, and locations prior to the start of the class. **It is very important to pre register!**

**Classes normally run from 8:00 am to 3:00 pm.
Lunch is not included.**

Recertification Tuition

The tuition (\$150) and the registration form must be received by CLP before the training day. Payment in advance or on the day of the class is required. **You will not be given credit for the class without payment.** Class size is limited, so register early to guarantee your spot at the location of your choice.

Mail your registration and payment to:

CLP

P.O. Box 557

Jackman, Maine 04945

clploggers@myfairpoint.net

MAKE CHECKS PAYABLE TO CLP

If you have missed any required recertification training in the past, you must make it up by attending an equivalent amount of CLP sponsored or forest industry training in order to regain your certification.

IF YOU ATTEND TRAINING OUTSIDE OF CLP AND THERE IS A COST ASSOCIATED WITH THE TRAINING, IT DOES NOT OFFSET THE RECERT FEE OF \$150.00.
